- Blossom provides a healthy eating program that includes breakfast, three snacks and a hot lunch prepared fresh daily onsite. This is included in the fees for all children above the age of 1 as noted. Children from 6 months to 4.5 years may attend and are placed in our age appropriate baby, toddler or preschool sections. They are provided with a smartbook, uniform, baby diary and calendar as required.

- Parents can choose either our Academic or All Year Program. The academic program consists of approximately 180 term days and follows the school year's 3 terms whereas the all year program is approximately 240 days per year and includes coverage during summer and half terms/ academic holidays. We are open from 7:30am to 6:00pm Sunday to Thursday. You may choose your custom program from our options noted here.

- All registration forms and fees are due in full 3 weeks before the first day in class. Registration fees, medical fees and deposit are due upon being offered a place to secure the seat. All year fees are payable in three post dated cheques due on enrollment and this is an annual contract (minimum one year). In the event you do not complete one year, monies are non refundable. No discount or refund is given to children who are absent for any reason during the term or leave before the end of term. Any late payments will incur AED 500 penalty fee and risk loss of placement. \* Refundable deposit is ONLY refunded when written notice is provided to the office 3 months prior to the last day of attendance, and after completion of at least one school year (three terms).

- We endeavor to provide flexible, long term nursery options to working families who require it. That is why we are open from 7:30am - 6pm and have a variety of programs to suit the needs of families. However, during the month of Ramadhan Breakfast Express will not be served and start time will be 8:30am and we will close at 4:30pm. Please respect our close / pick up times as hours beyond those noted are not staffed and late fees are chargeable. While parents can drop off after 8am we ask you to please have children in as close to this time as possible so they can begin the school day as a group and enjoy the experience based learning and playing planned for the day.
