### Blossom News In Brief

Dear Blossom and Blossom Village Parents,

The autumn term is drawing to a close which can only mean one thing.....Our Blossom Holiday Concert is near!

The children are all in the process of practising their holiday songs and preparing all the wonderful decorations for the winter season. All the details about our famous holiday concert will be within this edition of the newsletter.

In the remaining weeks we will also be writing our letters to Santa Claus, telling him what good girls & boys we have been and what we would like to receive for the holidays.

Our Homes & Harvest festival was a great success. We sampled some Thanks Giving delights and watched as the Chocolate man told us how he makes chocolates with white, dark and milk chocolate.

We are again covering some long term projects in this edition. There are some great ideas shining through this year!

We will be celebrating UAE National day and would like to remind all parents that the **nursery will be closed tomorrow, Thursday 2<sup>nd</sup> December and Sunday 5<sup>th</sup> December.**

Have a great and festive two weeks ahead!

Kind regards

*The Blossom Management Team*

# Long Term Projects at Blossom

## Hard & Soft By Daffodils Class

# HARD

The Daffodils Class will explore Hard and Soft this year!

We are using our hands to explore everything by touching and feeling all the different objects in the classroom.

We will be creating a pictorial scene for the classroom, using different recycled materials such as, cardboard, bottles, feathers, cotton, buttons, pebbles, sand etc.

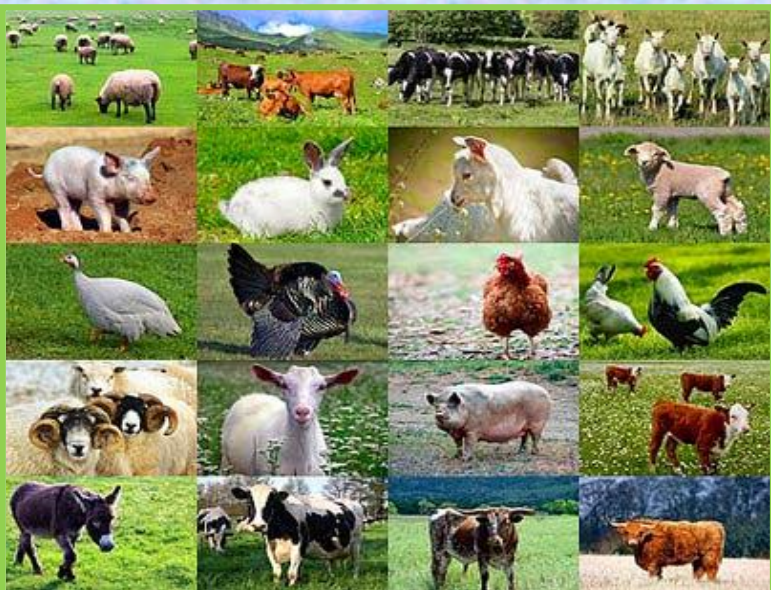

We have started by creating houses by using cardboard. We painted them red to show red bricks and talk about how hard they are.

Kind regards,

*Miss Dhun*

# SOFT

## On the Farm by Starlings Class

Starling class love to talk about farm animals, the tractors, the barn etc.

The love to sing "Old McDonald had a farm" so we decided to base our long term project around this.

We will be making a display for our classroom with a Big Barn, a pond for the ducks, the farmer with his tools and tractor and lots of different animals.

We look forward to role play and learning all the different farm animal sounds! Look at all the animals in the picture, practice with your children what noises they make. It's great fun!

Kind regards,

*Miss Audrey*

## Blossom Holiday Concert

The Blossom holiday concert will be taking place on Thursday 9<sup>th</sup> September 2010.
